Dear Carolyn

RE: Endorsement of Construction Environmental Management Plan, Sydney Metro Southwest - Marrickville, Canterbury and Lakemba Station Upgrades

Thank you for providing the following documents for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A26 (d) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval (SSI 8256, 12 December 2019, modified to CSSI 8226 on 22 October 2020)

- Construction Environmental Management Plan – Southwest Metro – Marrickville, Canterbury and Lakemba Station Upgrades, Rev 06 dated 08 March 2022 (Ref: SWM-MCL-CEMP) (the CEMP) as required by Condition C1 of the Infrastructure Approval.

The CEMP was updated to include the following:

- outline the relationship between the CEMP and the Principal Contractor's Environmental Management Systems (EMS); and
- reflect this relationship and related additional requirements.

As an approved ER for the project, I have reviewed and provide comments on this document and the minor changes proposed. Accordingly, I approve the amendment of the Plan for implementation.

Yours sincerely

Brett McLennan
Environmental Representative – Southwest Sydney Metro
