Thank you for providing the following documents for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A26 (d) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval (CSSI 8256 MOD1, 22 December 2020).

- Visual Amenity Management Plan – Southwest Metro Station Upgrade Works Package 4 – Marrickville, Canterbury & Lakemba Stations, Rev05 dated 30 June 2022 (SWM-MCL-VAMP) (the VAMP).

As an approved ER for the project, I have reviewed and provided comment on the VAMP for consistency with the requirements in or under the Infrastructure Approval and now consider it appropriate for implementation.

Yours sincerely
